CONTEXTUAL INTELLIGENCE

**WHAT WORKED BEFORE
WON'T AUTOMATICALLY
WORK NOW.**

THE SHIFT

Experience is valuable.

But awareness is powerful.

**Great leaders don't just rely on
patterns - they read the moment.**

THE CONTRAST

Average leadership:

“This worked last time.”

Elevated leadership:

“What’s different this time?”

BUILD IT

- **Ask what assumptions may have expired**
- **Invite frontline perspective before deciding**
- **Re-scan the environment quarterly**
- **Adjust without ego**

**WHERE MIGHT YOU BE
APPLYING YESTERDAY'S
SOLUTION TO TODAY'S
REALITY?**
