STRATEGIC PATIENCE

**NOT EVERY
OPPORTUNITY
DESERVES A REACTION.**

THE SHIFT

Urgency feels productive.

**But sometimes it's just
disguised anxiety.**

THE CONTRAST

Reactive leaders move fast.

**Strategic leaders move at
the right time.**

BUILD IT

- **Separate reversible vs. irreversible decisions**
- **Create space before major commitments**
- **Track long-term signals, not just short-term noise**
- **Resist pressure to “do something”**
